GP Contract Furniture Warranty

GP Contract Furniture has always stood behind its product. Therefore, we will warrant all items to be free of defects under normal use and service for a period of five years from the invoice date. If an item is defective, it should be called to our attention immediately upon arrival. It is at our discretion to repair or replace items that have been determined to be defective.

We will not be held responsible for damages more than the amount paid for goods in question and will not be responsible for incidental or consequential damages.

Our warranty does not apply to items which have been damaged due to misuse, negligence, improper cleaning materials, beverages, humidity, alteration, abuse, or abnormal usage.

This warranty gives you specific legal rights that might vary from state to state. There are states that do not allow the exclusion of implied warranties or the limitation of damages, so the above exclusions and limitations may not apply to you. In the event the warranty exclusions do not apply to you, then, where legally permissible, such implied warranties are limited in duration to the stated warranty period.

Items that vary from our standard collection are considered to be custom and therefore will not be covered by this same warranty. Contact sales for information regarding custom product warranty coverage.
